

IT'S NICE TO WORK IN A
SUPPORTIVE ENVIRONMENT.
EVEN AT HIGHWAY SPEED.

When you purchase an International® 8000 or 9000i Series truck, you can take satisfaction in knowing you own the finest truck on the road. But what's just as satisfying is knowing you have the total support you need to *stay* on the road.

Choose from four levels of support. Each begins with comprehensive warranty coverage, for real

peace of mind. And all are designed to bring increased uptime, lower operating costs and higher profits to your operation.

With International, you get the unparalleled support you need to stay ahead – on the road and in your business.

UNMATCHED LEVELS OF SUPPORT.

Basic International® support.

With International® 8000 and 9000i Series trucks, you get the quality and reliability for which every International® truck is famous. Our 1-year/100,000-mile (160,000 km) basic vehicle limited warranty provides you with the peace of mind your investment deserves.

*All warranties are limited. See your International® dealer for specific details.

International® Diamond SPEC™ program.

Stay within International's selected group of proven componentry and you can qualify for the Diamond SPEC program. Your basic vehicle limited warranty increases to 2 years/200,000 miles (320,000 km) and you also qualify for Diamond EBS® for as long as you own the truck.

Extended Limited Warranty

All International® 8000 and 9000i Series Diamond SPEC vehicles receive a 2-year/200,000-mile (320,000 km) vehicle limited warranty – twice the coverage of our standard warranty.

Diamond EBS Coverage (Emergency Breakdown Service)

Should your vehicle ever break down, Diamond EBS coverage is there for you 24 hours a day, 365 days a year. Your vehicle will be monitored from breakdown until you're back on the road. A nationwide network of over 16,000 service locations supports you wherever you are. No enrollment fee. No annual fee. No monthly fee. The "per incident" call fee is also waived for Diamond SPEC truck owners.

DIAMOND SPEC PROGRAM (FEATURE CODE 40 ACM)

Diamond SPEC™ program with optional International® Diamond PLUS™ support.

For an added level of support, the Diamond PLUS support package is available at an additional charge with qualified Diamond SPEC truck purchases. Diamond PLUS support includes Diamond Replacement Vehicle and Diamond Parts Availability.

Diamond Replacement Vehicle

You are eligible for a replacement vehicle* for up to three days or 1,500 miles (2,400 km) if an International dealer cannot repair a qualified mechanical failure or safety-related issue within 24 hours from the time the repair evaluation is completed, including nights, weekends and holidays. Coverage includes a hotline to start the repair evaluation immediately, 24 hours a day, 365 days a year.

Diamond SPEC program with optional Diamond PLUS support and extended towing.

For the highest level of support, choose a Diamond SPEC truck with optional Diamond PLUS support and extended towing. In addition to Diamond Replacement Vehicle and Diamond Parts Availability, this package offers 2-year/200,000-mile (320,000 km) towing coverage.

Optional extended warranties.

For stabilized and predictable repair costs beyond the basic vehicle limited warranty period, International offers the industry's largest selection of optional prepackaged warranties. Or choose a custom warranty providing the precise coverage you desire – from 12 to 72 months and 100,000 to
